

Kämpferprofile aus Holz für Holzfenster

Verleihen Sie Ihrem Holzfenster mit einem stilechten Kämpferprofil aus Holz zusätzliche Eleganz.

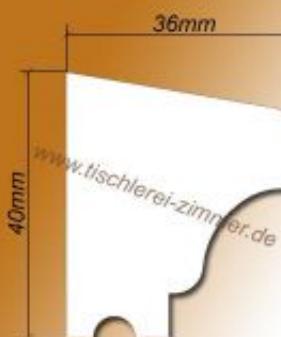

Unsere langjährige Erfahrung auf dem Gebiet der denkmalgerechten Altbausanierung versetzt uns in die Lage, eine breite Palette an verschiedenen Kämpferprofilen anbieten zu können. Wir verfügen über einen umfangreichen Fundus an Kämpferprofilen. Wählen Sie ein passendes Kämpferprofil für Ihr Holzfenster aus und gestalten dieses individuell nach Ihren Vorstellungen oder gemäß der historischen Vorlage.

Wir stellen diese Zierprofile/Kämpferprofile aus Holz nur in Verbindung mit der Anfertigung unserer Holzfenster her.
