

Schlagleistenprofile für Holzfenster ...

Verleihen Sie Ihrem Holzfenster mit einem stilechten Schlagleistenprofil zusätzliche Eleganz.

Wir verfügen über einen umfangreichen Fundus an verschiedensten Schlagleistenprofilen. Wählen Sie ein passendes Profil für Ihr Fenster aus und gestalten dieses individuell nach Ihren Vorstellungen oder als Nachbau gemäß der historischen Vorlage. Schlagleistenprofile in allen erdenklichen Formen oder nach historischem Vorbild 1:1 kopiert - alles ist möglich.

Wir stellen diese Zierprofile nur in Verbindung mit der Anfertigung unserer Holzfenster her.
